

In support of the Statewide efforts relative to COVID-19, the Authority is asking for volunteers to transport medical staff, using Authority vehicles, in the following locations:

Saratoga
Watertown
Poughkeepsie
Rochester
Syracuse
Williamsville

Volunteers will be driving two medical staff per vehicle to homes to perform tests and collect samples. Presently, the shifts are from 7 a.m. to 7 p.m., overnight shifts may also be necessary.

If you would like to volunteer for this effort, please let me know as soon as possible and include your availability.
